

US TSCA PBT Substances Declaration Statement

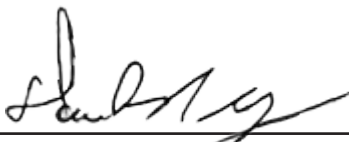

Pursuant to US Code of Federal Regulations title 40, part 751 - Regulation of Certain Chemical Substances and Mixtures Under Section 6 of the Toxic Substances Control Act (TSCA), and inclusive of requirements set under section 6(a) of the TSCA, 15 U.S.C. 2605(a), regulating the manufacture (including import), processing, distribution in commerce, use, or disposal of certain chemical substances and mixtures in order to address unreasonable risks to the extent necessary so that the chemical substances or mixture no longer presents such risk:

RCD Components (dba Gowanda RCD, LLC) declares that none of our products - either past, present or future - have ever contained, nor plan to contain (under design parameters) the substances listed in CFR title 40 of our standard resistor products described on the RCD Components website: www.RCDcomponents.com.

Please contact RCD Components directly through rohs@rcdcomponents.com, if you have any questions regarding this certification.
